OUR CAUSE, YOUR IMPACT

At the YMCA, we know that solving the complex challenges people face takes bold work. That's why we relentlessly pursue new ways to build thriving communities that will last for generations. We push what's possible, challenge limits and open doors so everyone has an equal chance to succeed.

Our Y camp connects kids with opportunities to discover and develop their potential.

Through living, learning and enjoying the outdoors together, our Y camp connects kids to science, the natural world and each other. YMCA Camp Icahowan enhances STEM based learning by bringing the natural world to more than 2,000 children and families.

Our Y camp develops cause-driven leaders through programs that build character and confidence.

Through cause-driven leadership development programs, our Y Camp gives more than 100 teens the opportunity to lead, learn and discover their own ability to succeed through adventure.

Our Y camp unites people from all backgrounds.

We inspire wonder, curiosity and community in nearly 4,000 kids and teens through programs that help to develop new skills, self-confidence, and lifelong friendships.
